

Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

1. (Original) A bypass line assembly comprising:
a bypass line for transporting a gas in a flow direction;
a bypass valve located at a position along said bypass line; and
a manual throttle valve located upstream from said bypass valve, said manual throttle valve comprising a throttle valve ball comprising a pressure release passage.
2. (Original) The bypass line assembly of claim 1 wherein said gas flow means comprises a hole extending through said throttle valve ball.
3. (Original) The bypass line assembly of claim 2 wherein said hole is circular.
4. (Original) The bypass line assembly of claim 2 wherein a diameter of said hole is between 0.060 inches and 0.185 inches.
5. (Original) The bypass line assembly of claim 4 wherein said diameter is approximately 0.125 inches.
6. (New) The bypass line assembly of claim 1 wherein said pressure release passage extends through said bypass line.

7. (New) The bypass line assembly of claim 1 wherein said gas flowing opposite said flow direction through said pressure release passage remains within said bypass line.
